Mobile Deposit Services

In order to participate in the Mobile Deposit Service, you must at all times maintain an Account with us. The Services permit you to take an image of a check with your smart phone and deliver that image to us for deposit, in accordance with our requirements. You retain the original paper check after you make the deposit. If we accept a Check Image for collection, we will attempt to collect the item by presenting the Check Image or converting the Check Image to a Substitute Check or in any other manner. The manner in which the Check Image or Substitute Check is presented for payment, cleared and collected will be determined by us, at our discretion. You agree that all Check Images you deposit through the services will be considered "items" and "instruments" under the Uniform Commercial Code, as if they were paper items. You understand that in the event the item you submitted for deposit is returned unpaid, you will receive only a copy of the Check Image, the Substitute Check, or other information available to us, depending on the manner of presentment. The amount of the unpaid item and a processing fee may be debited from the account where the item was originally deposited. You must make the original paper check available to us at our request. You must store the check securely. You are solely responsible for capturing a clear and complete image of each paper check, including MICR data. If your smart phone produces Check Images that we determine are not acceptable quality, we may, at our option, reject your deposit (although we have no obligation to inspect the check images you submit for deposit). You are responsible for any errors as a result of your failure to follow our guidelines or requirements when

submitting a Check Image for deposit. We have no liability to you for any failure to process a deposit of a Check Image for which you have not provided us (1) full and correct information from the original paper check (2) an accurate and legible image of the original paper check or (3) a check image in compliance with our formatting standards and other guidelines we have made available to you.

Your Representation and Warranties

Each time you submit a Check Image to us for deposit to an Account through the Services, you are deemed to have made the same representations or warranties to us that would have applied if you had deposited the original paper check, and all representations or warranties that we must make under applicable law, clearinghouse rule, regulation, operating circular, agreement or otherwise to any person when we transfer, present or originate a transaction from the Check Image or a Substitute Check created from the Check Image. In addition, you make the following specific representations and warranties:

No subsequent transferees of the Check Image, or any Substitute Check created from the Check Image (including a collecting or returning bank, drawer, drawee, payee or endorser) shall sustain a loss as the result of the fact that the Check Image or Substitute Check was presented for payment or returned instead of the original paper check.
